

PRELIMINARY MATERIAL WARRANTY REQUEST

Submit your project information so that we can evaluate and propose to you a realistic assurance and recommendation.

Just follow these steps:

1. **SCAN/CLICK** the QR code.
2. **FILL UP** the form.
3. **RECEIVE** an evaluation report.

Note: Do ensure you have the necessary project information so we can conduct a proper evaluation, otherwise the application will be put on-hold until further information is furnished. Please refer to page 2 for the information checklist to prepare for this preliminary material warranty request submission.
