Glorious COLOURS, TOUCH & TEXTURES.

Colorbond® MATT

A softer, matte effect that naturally diffuses light and refines design complexions with modern elegance.

- Elegant Matt finish
- Self-cleans with Clean Technology
- Greater thermal comfort all year round with THERMATECH® Solar Reflectance Technology
- Superior weathering and corrosion resistance
- Endures the test of time with warranty backed by BlueScope

Colorbond® SPECTRUM

A flamboyant Metallic finish that comes to life when exposed to light, revealing a sophisticated colour spectrum effect.

- Colour Spectrum metallic effect
- Self-cleans with Clean Technology
- Greater thermal comfort all year round with THERMATECH® Solar Reflectance Technology
- Endures the test of time with warranty backed by BlueScope

VERMOE®

Intelligently surface-fitted with fine, unique textures to inspire visually stunning designs.

- Uniquely textured
- Less heat, more comfort with REFLECT™ Technology
- Lasting outlook with superior weathering performance
- Endures the test of time with warranty backed by BlueScope

Warranty terms & conditions apply.
